### CITA-EDU YEAR— END CAMPAIGN 2018

Dear Friends .

Let me share a quick story about just one example of how the CITA curriculum enabled a Godly visionary to fulfill his dream.

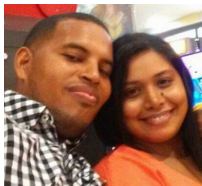

Over 20 years ago Rev. Leonel Ortiz answered God’s call to pioneer a movement of multiplying churches throughout Colombia and Ecuador. When Rev. Ortiz was introduced to CITA in January, 2018, he exclaimed, “This high quality training tool is what we have been looking for. I am currently preparing 7 mentors for guiding

students in his local church. His first apprentice Luis Roman has planted an effective church in Cartagena where in less than 6 months he gathered and trains 40 CITA students.

Luis Roman and his wife Maria T.

His protégé Edwin Cantillo has opened a mission church in nearby San Francisco where they are seeing conversions from among the troubled youth there.

We are thankful to God for your gifts that allow CITA-EDU to create an online multimedia digital education program providing solid Biblical materials to a highly motivated population for reaching potentially thousands with the transforming gospel of Jesus Christ.

Rev. Luis Ortiz and his wife Belgica

the students through the CITA curriculum and have a goal of opening study centers in 27 cities throughout Colombia and Ecuador. The beauty of the CITA material is that it is accessible (free on the web), easy to use, understandable, practical and meets seminary academic standards.”

Today Pastor Ortiz who lives in Villavicencio trains 30 CITA
