Help us to give a high quality training program for 1000's of Christian Leaders?

THE PROBLEM

- 50.5 Million US Hispanics; not one seminary has full program in Spanish.
- In Latin America, seminaries are scarce and cost prohibitive.
- Pastors have received little or no training.

"Go therefore and make disciples of all nations.... Teaching them to observe all that I have commanded you" Matthew 28:19-20

SOLUTION

- Create full Master of Divinity curriculum in Spanish.
- Videotape and make the courses accessible on the web.
- Identify study sites for mentoring students.

"And the things which thou hast heard from me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." 2 Timothy 2:2

We at Mission to North America are thankful for the entrepreneurial work of CITA-EDU to provide online the Masters of Divinity curriculum for training Hispanic church leaders and pastors for the tremendous harvest of Spanish speakers in the US and abroad. CITA's founder **David Moran** is a pioneer in Hispanic ministry in the Presbyterian Church in America and a valuable missiological resource for training and church planting. MNA enthusiastically supports Dr. Moran and the ministry of CITA-EDU with our prayers and financial resources."
