CITA-EDU Newsletter April 2020

Dear Faithful Friends of CITA,

I hope you are safe and healthy in the face of the pandemic. We at CITA pray for you to know the peace and protection of Christ. CITA mentors write that the internet permits their students to advance while confined to their homes. I hope you will be encouraged as I was by the following letter from a pastor/mentor who is training with CITA materials among Hispanics in Hartford, Connecticut.

Grace and mercy to you,

David Moran

Greetings; Peace be with you!

Dear Dr. David Moran,

We would like to express our gratitude for this institution (CITA-EDU). Our church members have gained knowledge and empowerment in leadership within the Church and community. As pastors we are blessed to have such a committed group

of members in our congregation as a result of this institution's teaching, and being guided via videos, books and words of encouragement.

We not only are honored by being able to share it with our congregation, but also are blessed for being able to share it on an international level to our Spanish community in South America as they also benefit from it. In our congregation itself we have a group 30 people

not including our other church sites such as **Colombia, Ecuador, Mexico, and Venezuela.**

Everyone throughout our network is excited and motivated to continue studying the Word of God. We have already seen the following tangible outcomes in the lives of our students:

1. Knowing the calling of God.
2. Learning to edify yourself in Gods teaching.
3. The structure and guidelines to walk with God.
4. The ability to know one needs to change.
5. Closing those things that do not allow one to grow.
6. Teaching those the love of God
7. Walking by Faith
8. Learning and teaching one another with God's love
9. Learning the Bible
10. Having a greater understanding of Lord.

Having this university active will continue to educate other congregations in getting leaders ready to be effective and productive in and out of our communities through the ministry. Having people ready in the ministry means healthy churches and better communities. This is why, in my conclusion, I want to say that CITA is vital to all of us, and many others to come. This is going to continue from generation to generation. The lack of it will impact and affect our church community horrendously. Let's please keep this ministry active.

Thank you!

Sincerely yours,

President-Pastor Joset Reyes
